

No. 52-9/2017 -Trg
Ministry of Communications & IT
Department of Telecommunications
Room No. 1309, Sanchar Bhawan,
20, Ashoka Road New Delhi
(Training Wing)

Dated: 06.02.2019

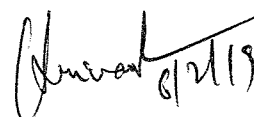

Sub: Training on Cyber Defence Exercise with Recurrence (CYDER) under the framework of under India Japan Joint Working Group on ICT - 2nd Program.

Department of Telecom is organising a 2-day training program on Cyber Defence Exercise with Recurrence (CYDER) in collaboration with Ministry of Internal Affairs and Communications, Govt of Japan under the framework of India Japan Joint Working Group on ICT.

The hands-on cyber defence training is aimed at enhancing the abilities of system administrators in government agencies to effectively handle the increasing threat of cyber-attacks. By providing simulations of a customer's ICT infrastructure, the practical training enables the cultivation of system administrators with comprehensive cyber defence capabilities.

The program will be held in New Delhi from 18th to 19th March, 2019 at Telecom Engineering Centre, Janpath, New Delhi 110001.

The total number of seats for DoT for this training is restricted to 10. It is requested to nominate suitable officer (not more than one) for the training from your unit. The nominations may be sent at email id vivek.s45@gov.in by 22nd February, 2019. The units, officers of which have already undergone this training during 1st program held in January 2018 are requested not to send nominations this time.
