May 21, 2008

Dear Shri. Grover,

I am grateful for the consistent support of DOT in terms of deputation of Staff and officers from time to time for execution of TCIL projects and also for getting approval for exemption from the rule of immediate absorption from the cabinet for deputation of ITS officers to TCIL.

TCIL needs the services of 35 ITS group 'A' officers at JAG/ SAG level, who will be taken on deputation to TCIL in phases as per requirement, in the areas of GSM ,CDMA , Satellite, IT, OFC and OSP for our various Inland / Overseas projects. There is a large requirement of officers for the prestigious Pan- African e-Network project. We shall be grateful, if volunteers are called from among the eligible officers and their CVs are made available to us by 30th June 2008, for preparing a panel for deputation to TCIL.

Sir, due to stoppage of deputation of ITS officers to TCIL during the past two and half years, we are facing an acute shortage of officers. With repatriation of ITS officers on deputation to TCIL during the same of time, this number has now reduced to seven. Four ITS officers have been repatriated in the month of April, 2008, itself.
