Subject: Clarification in case of Due date of Submission of EMR self certificates & submission of EMR Self-Certificates in NEP Portal for LPBTS -regarding

Reference: (i) e-file no. 16-18/2020-DGT/2
(ii) DoT instructions dated 20.11.2013

In reference to the subject mentioned above, it is clarified that:

- (i) In case of new BTS, the due date of submission of self-certificate is 15 days after the date of first radiation or the date of start of commercial/regular radiation whichever is earlier.
- (ii) The instructions under reference (ii) above do not differentiate between Normally compliant BTSs (LPBTS) and Provisionally compliant BTSs. Thus, date of first radiation along with OSS snapshot is required to be submitted for Normally compliant BTSs also.

This is issued with the approval of competent authority.
