

Internet Service Providers Association of India

Issues being faced by ISPs

12-06-2023

Issues

- Request for expediting exemption of License fees on internet/broadband
- Resolution of AGR related issues of ISPs – two cases –request review
- Exemption of non-licensed revenues from AGR-clarification
- Rationalization of GST/ Taxes on Rural & Fixed line Broadband Services
- Finalization of LF dues in a timebound manner
- Availability of access spectrum for broadband proliferation to ISPs

Issues

- Exorbitant RoW charges by smart cities
- Lack of uniform RoW policy in case of O/H alignments.
- Simplification of regulatory compliances for Cat C and Cat B ISPs
- Infrastructure sharing – Active & Passive
- License amendments introduced should be introduced in a prospective manner
- Simplification of trusted cell formulation for smaller ISPs /refurbished equipment issue
