Amendment No.1 to Revised RFP

For Selection of Agency for Conducting e-Auction of Spectrum in 2.1 GHz, 2.3 GHz and 2.5GHz Bands.

Following changes have been made in the revised RFP document for selection of agencies to conduct e-auction of spectrum for 3G and BWA services in 22 Telecom service areas in India which was posted on the DOT website dot.gov.in on 11.9.2008, :

1.0 Clause 17.2 of the revised RFP shall now be read as under:

Clause 17.2: In its **financial bid**, the bidder shall quote its fee as a percentage of revenue realised from auction minus the reserve price as mentioned in para 5 of the 3G guidelines dated 1st August 2008, para 3.1 of the BWA guidelines dated 1st August 2008 as amended from time to time. For the sake of clarity, the payment to be made to the successful bidder (Auctioneer) after completion of successful auction as acceptable to GOI in 22 service areas of phase I shall be governed by the following formula subject to the clause 1.10.3 of this RFP:

$$\sum_{i=1}^{22} \text{Approved bid of selected bidder} \times (\mathbf{H}_i - \mathbf{RP}_i)$$

Where,

Approved bid means the percentage of revenue realised from auction minus the reserve price finally accepted by the DOT against this bid,

H_i is highest bid received and accepted by the GOI of respective service area i for 3G or BWA Auction separately.

RP_i is the reserve price of the respective service area i for 3G or BWA Auction separately

22 is the no. of service areas

It is clarified that the fee payable for 3G Auction would be the approved bid multiplied by the revenue above the reserve price for 3G auctions. Similarly, for BWA, spectrum auction, the fee payable would be the approved bid multiplied by the revenue above the reserve price for BWA auctions.

The auctions of spectrum both for 3G and BWA for each service area shall be conducted simultaneously to the extent possible.

2.0 Para 1.10.4 shall be read as 1.10.3.”

All the other terms and conditions as stipulated in the Revised RFP document shall remain unchanged.
