D.O. No. 1/50/2/2015-Cab.

Dear Secretary,

As you are aware, the government is promoting use of information technology in its day to day functioning. In this regard, the use of video conferencing facility is very useful for conducting meetings as it saves the precious time of the government functionaries and reduces expenditure. I would therefore urge you to interact with the State Chief Secretaries and other senior functionaries using video conferencing mode to the extent possible.

With regards,

Yours sincerely,

Ajit Seth
