Department of Telecom  
(DS Cell)

No. 60-250/NDEM/2009-DS (SAT)

Dated : 08.12.2009

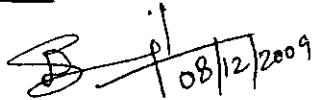

Sub : Creation of National Database for Emergency Management (NDEM).

Ministry of Home Affairs is in process of building Geographic Information System (GIS) based National Database for Emergency Management (NDEM) and has sought details of communication infrastructure & telecom facilities available in India for including in the NDEM.

In this regard, it is requested that details of all communication infrastructure and telecom facilities may be obtained from all telecom operators in hard as well as soft copy (MS Excel) in the following format and provided to this cell at the earliest :

Sl. No.	Communication Infrastructure / Telecom facility	Owner with contact details	Complete address	Geo coordinates	Capacity	Coverage area	Contact details of person responsible for operations

In addition, Central contact details for all telecom operators may also be provided.
