

No.1-8/2022-AI_DIU
Government of India
Ministry of Communications
Department of Telecommunications
Artificial Intelligence & Digital Intelligence Unit (AI & DIU)

Dated the 10th January, 2023

OFFICE ORDER

Sub: Redesignation of DIU and scope of work allocation-regarding

The undersigned is directed to convey the approval of competent authority for redesignation of Digital Intelligence Unit (DIU) as Artificial Intelligence & Digital Intelligence Unit (AI & DIU) and scope of work of the unit as follows:

- i. To set up a collaborative framework to detect and combat suspicious activities perpetrated using telecom resources.
- ii. To enable accelerated adoption of Artificial Intelligence (AI) in the telecom sector, leveraging emerging capabilities of 5G and beyond.
- iii. To take policy level enabling initiatives facilitating TSPs to provide digital insights to other sectors for planning, designing their schemes and projects, in a privacy preserving manner.
- iv. To facilitate relevant stakeholders to develop, deploy and scale AI based solutions using telecom capabilities for achieving Sustainable Development Goals (SDGs).
- v. To engage and collaborate with relevant stakeholders and AI/ML communities for continual development of innovative AI and data models.
- vi. To study and identify opportunities of big data analytics for public policy making and facilitate laying down necessary regulations.

This issues with the approval of the competent authority.
