

**Tentative Schedule for “ Radio Spectrum Management and Monitoring for Wireless Broadband Infrastructure ”
(proposed by Telecom Engineering Center on May 22, 2015)**

Date		Plan	Name of Lecturer or Organizer	Venue
Nov. 9(Mon.)		(Arrival to Japan) Airport Reception/ Bus support		Narita airport
Nov. 10 (Tue.)	13:00-13:30	Opening Ceremony	TELEC	TELEC HQ
	13:30-15:00	Program Orientation		
	15:00-16:30	Current Status of Radio Use in Japan in the Broadband Era		
	16:30-17:30	Welcome party		
Nov. 11 (Wed.)	09:30-11:30	Radio Spectrum Management in the Broadband Era 1 (Regulatory Framework of Spectrum Management, Spectrum Reallocation for Realization of Wireless Broadband, Use of Whitespace, etc.)	MIC Radio Policy Division	TELEC HQ
	13:00-15:00	Radio Spectrum Management in the Broadband Era 2 (Spectrum User Fee System, Comprehensive Radio Station Administrative System)	MIC Spectrum User Fee Office	
	15:00-17:00	Radio Spectrum Management in the Broadband Era 3 (International Frequency Co-ordination, World Radiocommunication Conference (WRC), Regional Cooperation in the Asia-Pacific Region for WRC)	MIC international Frequency Policy Office	
Nov. 12 (Thu.)	09:30-12:00	Radio Administration and Measurement Technology in the Broadband Era (including Radio Inspection/Investigation of Radio Stations and Certification of Radio Equipment)	TELEC	TELEC HQ
	13:30-17:00	Presentation from each Country: Radio Use and Radio Administration		
Nov. 13 (Fri.)	10:00-12:00	Outline of Radio Monitoring in Japan (No.1) (Organization, Monitoring Service and Facilities, Regulating Illegal Radio Stations, etc.)	MIC Radio Monitoring Office	TELEC HQ
	14:30-16:30	Practice: MIC Radio Monitoring Facilities for VHF/UHF bands (DEURAS-D/ DEURAS-M, Radio Source Visualization System)	MIC Kanto Bureau of Telecommunications	MIC Kanto Bureau of Telecommunications
Nov. 14 (Sat.)		(Free)		
Nov. 15 (Sun.)		(Free)		

Appendix 1

Date		Plan	Name of Lecturer or Organizer	Venue
Nov. 16 (Mon.)	9:30-11:00	Outline of Radio Monitoring in Japan (No.2) (Organization, Monitoring Service and Facilities, Regulating Illegal Radio Stations, etc.)	MIC Radio Monitoring Office	TELEC HQ
	14:30-17:00	Visit to Manufacture's office Latest Wireless Broadband System in Japan (No.1)	Manufacture/Carrier (No.1)	Manufacture's office
Nov. 17 (Tue.)	9:30-11:00	Latest Wireless Broadband System in Japan (No.2)	Manufacture/Carrier (No.2)	TELEC HQ
	11:00-12:30	Latest Wireless Broadband System in Japan (No.3)	Manufacture/Carrier (No.3)	
	14:00-16:30	Measurement Practice (i.e. Cellular phone handset etc)	TELEC	
	18:00-20:00	Evaluation Meeting/ Farewell Party	TELEC	Shinagawa
Nov. 18 (Wed.)	09:30-11:30	Questionnaire/ Exchange Opinions	TELEC	TELEC HQ
	11:30-12:00	Closing Ceremony		
Nov. 19 (Thu.)		(Departure from Japan)		Narita airport
