D.O. No. N-21/29/2022-NeGD
Dated: 5th September, 2022

Dear Sir / Madam,

As you are aware, National e-Governance Division (NeGD) under Ministry of Electronics & Information Technology (MeitY) is implementing the Capacity Building Program under Digital India to build internal capacities within the Government. Emerging technologies such as AI, Blockchain, Data Analytics, IoT are increasingly becoming part of project design and means to improve public service delivery and build trust in government systems.

2. NeGD has collaborated with Indian Institute of Management, Bangalore for a customised training program - 'e-Governance Senior Leadership Program' for Officers working in e-Governance projects. The program is a capacity-building initiative, aimed towards developing the required competencies and aptitude of the officers to conceptualize and implement meaningful e-Governance projects. The program is scheduled from 10th to 15th October 2022 in physical mode in IIM Bangalore. The brochure of the programme is enclosed for your ready reference.

3. I am please to invite you to nominate senior officers at the level of Joint Secretary, Director, Deputy Secretary or equivalent who are either leading or responsible for implementation e-Governance projects.

4. The program has limited seats and can accommodate only 30 participants. The nominated officers are required to file their nominations at the link: https://docs.google.com/forms/d/e/1FAIpQLSciMhzUdPXj99XSSRAxyADmyepJIh aKhIXz_etaBzkToaGLZA/viewform?usp=sf link.

4. For any queries, you may kindly reach out to my capacity building team, Mr. Satya Meena, Director (Finance and Capacity Building) at satya.meena@digitalindia.gov.in, 011-24301936, 24303703.

We look forward to your teams' participation in the programme

With regards

Yours sincerely,

(Abhishek Singh)

e-Governance Senior Leaders Programme

A Capacity Building Programme of National e-Governance Division (NeGD),
Ministry of Electronics & Information Technology (MeitY)

10th – 15th October, 2022

Programme Objectives

NeGD along with MeitY has collaborated with Indian Institute of Management Bangalore for a customized training programme for Officers working on e-governance projects. The programme is aimed towards developing the required competencies and aptitude of the Officers to conceptualize and implement meaningful e-Governance projects.

Programme Coverage and Structure

The focus of this programme is on capacity building by providing:

- Exposure to cutting edge technologies such as AI/ML, Blockchains, Internet-of-Things, Augment Reality etc.
- Exposure to digital transformation and data transformation methods and strategies
- Understanding of various aspects of data management, with a focus on sourcing, curation, use, and storage
- Exposure to concepts of IT governance and security
- Change Management experiences
- Procurement, Business models and Public Private Partnership
- Understand concepts of Open Source and Crowdsourcing
- Legal and Policy Frameworks for e-Governance

The programme will be delivered over **6-days, in-person on-campus at IIMB**, between **10th October** (Monday) and **15th October** (Saturday) 2022, from **9:00 am** to **5:00 pm**.

Accommodation: The accommodation for participants will be arranged on-campus (single occupancy basis) with check-in on Sunday, 9th October, 2022 after 3 pm and checkout on Sunday, 16th October latest by 10 am.

Andragogy

The programme andragogy will be a combination of lectures and discussions, online modules, case discussions and analysis, guest lectures, site visits.

Faculty Programme Director

Rahul De' is Professor of Information Systems at IIM Bangalore. He joined IIMB in 2002 and served as the Hewlett-Packard Chair Professor in ICT for Sustainable Economic Development from 2004-18.

He teaches courses in Artificial Intelligence and Information Systems. His primary research interests are in AI Ethics, e-Government systems, Open Source, Digital Payments, Tele-medicine, and ICT for Development.

Professor Dé has published four books, one textbook in Information Systems, and over 75 peer-reviewed articles in scientific journals, books, and conference proceedings.

He has taught AI and Information Systems courses to management students for over 30 years. He has offered these courses to undergraduate, graduate, and doctoral students. He has wide international experience and has taught various courses in universities in the United States, Spain, France, Sweden, Norway and Italy. He has also offered courses on the online platforms edX and Swayam.

In December 2020, Prof De' was recognized as one of the top ten AI researchers in India by Analytics India magazine. In July 2010, he received the Best Professor in Information Systems award at Asia's Best B-School Awards in Singapore. In 2009, he received the Outstanding Paper Award at the Eighth International Conference on Electronic Government, EGOV 2009, at Linz, Austria. In 2007, he was awarded the Rene Wagenaar Outstanding Paper Award at the Sixth International Conference on Electronic Government, EGOV 2007, in Regensburg, Germany.
