## TRANSFER AND POSTING POLICY

1. Posting on promotion for all cadres will continue on *seniority* basis for regular, ad hoc or for officiating arrangements.
2. For filling HAG posts, seniority criteria will be adhered. *In case* any officer is not willing to be posted till ACC approval is obtained, the officer will be given to his junior.
3. For transfer and posting of officers at HAG level their *overall* record of service and performance would be considered.
4. The post, station and circle tenure for different cadres *will be* as follows:

Sl. No.	Name of Cadre	Post tenure	Station tenure	Circle tenure
1.	SAG	4	6	8
2.	JAG	4	8	8
3.	STS	4	8	8
4.	TES Group B/JTS or equivalent in other disciplines	3	9	24

For counting the station/circle tenure, the period of service rendered in the previous grade/grades would also be considered. However, the number of officers transferred out of circle at any time would not generally exceed 10% of the sanctioned strength in the Circle for officers up to STS level.

5. In a career span of all officers, normally one hard tenure such as North East, J&K, A&N Islands and one term in other tenure Circles/SSAs would be ensured. After completion of tenure, the officer should be accommodated at the choice station *as* far as possible and not generally disturbed for the next *four* years. The stay in tenure/hard tenure Circle/SSA would be counted only if the officer has worked for the tenure period in the circle after the same was declared a tenure Circle/SSA.

For considering officers for tenure posting, the officers *with* longest stay in a particular circle would be considered *first*. However, posting of female officers to hard tenure station would generally be avoided.

6. Officers returning from TCIL are being posted to hard *tenure* stations and this policy would continue in BSNL.

4

Generally, the transfer of officers upto JAG level who are more than 55 years of age would be avoided for posting to hard tenure stations. Similarly, transfer of officers upto the SAC grade would generally be avoided in case of more than 58 years of age. However, request transfers in such cases would be acceded to.

8. Request transfers would be normally considered after completion of 2 years at a particular station. The transfer after two years on request will be at company's cost. If the transfer is due to personal reasons within two years, this would be at the cost of the officer.
9. Notwithstanding the above guidelines, the competent authority will have the powers to transfer officers in the interest of service as and when required.
10. In case where officers try to influence transfer through other than normal channel, action will be taken as per para 20 of the CCS (Conduct) Rules within any discrimination. This rule envisages that:  
  

*"No Government servant shall bring or attempt to bring any political or other outside influence to bear upon any superior authority to further his interests in respect of matters pertaining to his service under Government".*
11. This order would come into immediate effect for computing the post tenure. However, for station/circle tenure, action shall be initiated by the concerned authorities in such a way that the orders are issued latest by 31<sup>st</sup> March of any particular year. The cut off date for computing the circle/station tenure would also be 31<sup>st</sup> March.
