Government of India  
Ministry of Communication and IT  
Department of Telecommunications  
(Estt. & Coord.)

Dated 07.08.2015

All officers of ITS Group 'A'  
All officers of TES Group 'B'  
All officers of JTO Group 'B'

Sub: Enrolment of Aadhar Card by all officers

Since Aadhar Card has the unique identification number of a citizen/ official, the same should be embedded in the service book, in the Pensioner's card, in the service book, in the Pensioner's card, in the CGHS card and also in the bank account maintained by the official. To facilitate this, the DoT website has been linked with UIDAI website. In a meeting taken by Secretary/ Special Secretary, DARPG on 17.07.2015, this issue was discussed along with progress made regarding abolition of Affidavits and certification by Gazetted Officers and adoption of Self certification instead.

In the context of above, I am directed to inform all officers of ITS Group 'A', TES Group 'B' and JTO Group 'B' that the facility of getting Aadhar Card number is available in all states throughout India and all the officials who have not enrolled them for Aadhar Card may get themselves enrolled and obtain the Aadhar Card.
