OFFICE MEMORANDUM

Subject: Online Lifecycle management and submission of reports through Saral Sanchar

Saral Sanchar portal enables application for new License / authorization in online mode. Phase-2 of Saral sanchar is ready and will allow applicants / licensees to carry out various activities involved in lifecycle of the License in online mode. The upgraded system will also allow you to send online reports and compliances. In this regard you have to register and create USER ID and password on the Saral Sanchar Portal (https://saralsanchar.gov.in/admin/olmRegistration_add.php) as new user. In case you already have your userId and password then you can start using various post license activities, i.e application of surrender / name change / change in authorized signatory etc., submission of all kind of reports etc by logging in the portal (<https://saralsanchar.gov.in/LoginHome.php>).

2. As a first step, all licensees have to mandatorily update / confirm the information of their existing Licenses / authorizations. Further, licensees are mandatorily required to send / fill the online reports through reporting module of Saral Sanchar. Manual for using the portal for migration of license / authorizations is enclosed for ready reference as **Annexure-I** and is also available at https://saralsanchar.gov.in/user_manual/ul/UL_Migration_Applicant.pdf . List of documents required for migration of existing licenses / authorizations is enclosed as **Annexure-II**.

3. All licensees are hereby requested to immediately confirm / migrate details latest by **15-9-2022** of your all existing licenses / authorizations issued before November-2018 and

I/3057477/2022

start sending the online reports. All such licensees who have been issued license through Saral Sanchar only (i.e. after November-2018) can straight away start using the Report module of upgraded Saral Sanchar. It is further requested that till the time the new system is stabilized; licensees are also required to continue sending the reports as per the current procedure. Once the system is stabilized the department will discontinue Offline Reports and will accept reports in online mode only. Licensees are requested to fill the status of various reports for the current year w.e.f. 1-4-2022.

4. This is issued with the approval of Member (Technology).

18th June, 2022

TABLE OF CONTENTS

Sr No	Content	Page No.
1	Introduction	3
2	Migration Request	4
3	Application form	5
4	Addition/ Modification of data	7
5	Upload Signed Application	8
6	Modification after reversion	9

1) **Introduction:-**

Government has issued the guidelines for shifting telecom service providers to the new Unified Licenses regime, wherein the spectrum is not given along with the permits as has been done in the past.

After coming into force of the Unified License, all the existing licenses issued under Section 4 of the Indian Telegraph Act 1885 shall stand automatically converted to the Unified License. This will be the Unified License.

On conversion, the validity of the Unified License shall be same as the validity of existing license. The conditions of Unified License shall be the same as existing license.

The services under such a license will be restricted to the service(s) that the Licensee could offer and to the service area(s) permitted under the existing license. In case an existing licensee after conversion to Unified License wishes to provide services permitted within the scope of service under Unified License but which are not covered under its old license, then it will have to apply for Unified License.

For conversion to the Unified License, there shall be no additional entry fee to be paid by the licensee.

A holder of Unified License shall have the option to apply for and migrate to a Unified License.

In the event a holder of Unified License desires to expand/alter the service(s) offered or service area(s) of operations, it shall be required to migrate to Unified License and pay the prescribed entry fee.

2) Migration Request:-

In order to migrate the existing UL, UL VNO and Pre-UL licenses a new Migrate button is provided on the main dashboard for the applicant user.

The screenshot displays the SARAL SANCHAR portal interface. At the top, it shows the Government of India logo and the Department of Telecommunications logo. The SARAL SANCHAR logo is prominently displayed on the right, with the tagline "Simplified Application For Registration And Licenses" and "A Portal for License Management in DoT". Below the header, there are navigation links: Home, Change Password, Update Profile, and Helpdesk. A secondary navigation bar includes "Orders/Circulars" and "Document Checklist".

The main content area features a "Welcome" message and a "Status Of Applications" section. This section contains a grid of application status cards:

License Type	Count	Action
UL	1	Apply Now
UL-VNO	9	Apply Now
WPC	4	Apply Now
SACFA	0	Apply Now
PM-WANI	0	Apply Now
OTHER	0	Apply Now
UL/UL(VNO) - Migrate	0	Apply Now

The "UL/UL(VNO) - Migrate" card is circled in blue, indicating the focus of the migration request.

- 3) **Application form:**- Once the migrate button is pressed the user is redirected to the Application form page where all the user and services data already present is populated which can be edited.
