**I.A. 22468/2022 (Stay)**

1. Plaintiff seeks a restraint on illegal and unauthorized dissemination of the Plaintiff's alleged original content in its talk-show series 'Unstoppable' which airs on the Plaintiff's OTT Platform

**aħa**.

2. Plaintiff claims to be in the business of procurement, development, distribution and dissemination, broadcasting/re-broadcasting of entertainment programs, such as cinematographic feature films, serials, talent hunts, reality shows, talk show series, documentaries, etc. using existing and emerging technologies through its online video/ OTT platform named **aħa** which operates in the Telugu and Tamil Languages, in domestic and international markets.

3. The Plaintiff claims to be the sole and exclusive proprietor of the Intellectual Property Rights in a talk-show series ‘Unstoppable’ which airs on its OTT Platform **aħa**.

4. The show is stated to be presently in its 2<sup>nd</sup> season, which commenced airing on 14<sup>th</sup> October, 2022. The show’s 1<sup>st</sup> season was also broadcast on the Plaintiff’s OTT Platform during the period 04.11.2021 to 04.02.2022.

5. Plaintiff claims to be the proprietor of all the Copyrightable works in the talk-show series ‘Unstoppable’, and claims to enjoy exclusive Broadcast Reproduction Rights in respect of the Broadcast of the said talk-show series on its OTT Platform **aħa**.

6. Learned Counsel for the Plaintiff submits that, any unauthorized reproduction, or communication to the public, of any of the episodes of the talk-show series ‘Unstoppable’ or any part thereof,

including by way of broadcast or re-broadcast, amounts to not only an infringement of the Plaintiff's subsisting Copyright in the said talk-show series, but also an infringement of the Plaintiff's exclusive Broadcast Reproduction Rights in the said series.

7. Plaintiff claims to have already incurred huge commercial expense, of Rs. 17 Crores, towards production, promotional and marketing activities undertaken for both the seasons of the Plaintiff's talk-show series 'Unstoppable'. Of this, almost INR 3.5 Crores has been incurred for promotional activities undertaken by the Plaintiff in respect of Season 2 alone.

8. The present suit has been filed by the Plaintiff against Defendants and other parties [unnamed *John Does*] who are claimed to be rogue websites involved in infringing the Plaintiff's rights by unauthorizedly and illegally disseminating the Plaintiff's original content in its talk-show series 'Unstoppable' over their platforms.

9. Plaintiff further contends that most of the parties that are infringing the Rights of the Plaintiff are doing so clandestinely and surreptitiously without a clear disclosure of their names, addresses and other details. That for this reason, due to the difficulty in identifying the various infringers, the Plaintiff is at this stage joining such infringers as *John Doe* parties in the present suit.

10. Plaintiff further submits that on the 30<sup>th</sup> of December, 2022, the Plaintiff would be airing the 5<sup>th</sup> Episode of the Season 2 of its talk-show series 'Unstoppable' which is slated to feature Mr. Prabhas

Raju.

11. It is submitted that on account of the huge popularity of Mr. Prabhas Raju, Plaintiff apprehends large scale piracy of the said Episode. It is submitted that in order to safeguard its rights and the huge commercial investment made by it in the 'Unstoppable' talk-show series, the Plaintiff has been constrained to file the present suit.

12. Plaintiff has also placed on record a list of infringing web links to their content at pages 599 to 605 of the List of Documents dated 27<sup>th</sup> December, 2022 and also various rogue websites, as identified by the Plaintiff at pages 606 to 610 of the List of Documents dated 27<sup>th</sup> December, 2022, which allegedly host infringing content.

13. Considering the investment which the Plaintiff is alleged to have made in the talk-show series, any illegal broadcasting would severely affect the monetary interest of the Plaintiff, and also diminish the value of the Plaintiff's talk-show series.

14. In view of the above, I am satisfied that Plaintiff has been able to make out a strong *prima facie* in its favour for grant of an *ex-parte ad-interim* injunction, in the nature of a dynamic injunction. The balance of convenience also lies in favour of the Plaintiff and in case an *ex-parte ad-interim* dynamic injunction is not granted Plaintiff shall suffer irreparable loss and injury.

15. Accordingly, till the next date of hearing an *ex parte ad-interim* injunction is granted thereby restraining the Defendants (including

*John Does*), their owners, partners, proprietors, officers, servants, employees and all others in capacity of principal or agent acting for and on their behalf or anyone claiming through by or under it, from in any manner hosting, streaming, broadcasting, re-transmitting, exhibiting, making available for viewing and downloading, providing access to and communicating to the public, displaying, uploading, modifying, publishing, updating and/or sharing (including to its subscribers and users) on their websites, through the internet, or in any manner or platform whatsoever, the Plaintiff's talk show series titled 'Unstoppable' season 1 and season 2 or any other future seasons thereof, and/or any part thereof and/or any content related thereto and/or all future works derived from the said web-series (including any future formats made for exhibiting on the Metaverse), amounting to an infringement of the Plaintiff's Copyright and/or Broadcast Reproduction Rights in the said talk-show series.

16. Department of Telecommunication (DoT) and the Ministry of Electronics and Information Technology (MeitY) are also directed to direct the Internet Service Providers (ISPs) registered with them, to pull down all infringing links as provided by the Plaintiff at pages 599 to 605 of the List of Documents dated 27<sup>th</sup> December, 2022 (annexed as Annexure A hereto).

17. DoT and the MeitY are also directed to direct the various Internet Service Providers (ISPs) and Telecom Service providers registered with them to immediately block access to the various rogue

websites, as identified by the Plaintiff at pages 606 to 610 of the List of Documents dated 27<sup>th</sup> December, 2022 (annexed as Annexure B hereto), which allegedly host infringing content.

18. DoT and the MeitY are directed to direct the various Internet Service Providers and Telecom Service providers registered with them, to provide to the Plaintiff, if so requested by the Plaintiff, with the complete details of the rogue websites, including but not limited to Name, Address, Email Address, Phone Number, IP Address, etc., so as to enable the Plaintiff to implead the said websites as Defendants.

19. Compliance of Order XXXIX Rule 3 of the CPC be made within two weeks.

20. Order *Dasti*, under the signatures of the Court Master.

**CS (COMM) 925/2022**

Amended Plaint be registered as a Suit. Issue summons to the defendants by all modes returnable on 17.01.2023 before the Roster Bench.
