

**No. 16-27/2007-CS-III(Pt)**  
**Government of India**  
**Ministry of Communications & IT**  
**Department of Telecommunications**  
**Sanchar Bhawan, 20-Ashoka Road, New Delhi-110001**  
**(Carrier Services-III)**

Dated: 04.12.2014.

To

**All ILD Service Providers**

**Subject: Technical Requirement in respect of provision of on-line mirror image and audit trail of Remote Access information.**

Your attention is invited to the following Paras of DoT letter No. 16-27/2007-CS-III dated 31.01.2013, vide which technical requirement in respect of provision of on-line mirror image and audit trail of Remote Access information were spelt out:-

***Para 3:** The telecom service provider shall put in place the Indian RA Storage Server as mentioned above within a period of six months from the date of issue of this letter. The RA permissions shall be granted to the telecom service providers only after submission of compliance regarding putting in place the Indian RA Storage Server and related connectivity to the satisfaction of DoT.*

***Para 4:** The telecom service provider shall file technical returns to respective TERM Cell, every six months or whenever changes occur, providing details of their entire network. The international long distance operators shall also provide the details of the international routes, countries to which directly connected, routing of international telecom traffic etc.*

***Para 5:** The officials of DoT and TERM Cell units shall be provided training by the licensee to acquire thorough and complete insight into the Remote Access methodologies.*

2. Your attention is also invited to DoT Letter No. 16-27/2007-CS-III(Pt.) dated 24.09.2013, whereby all the Telecom Service Providers were requested to submit their "compliance to Technical Requirement in respect of on-line mirror image and audit trail of Remote Access information to DoT as and when ready with the facilities/requirements for the said instruction, but not later than 31.12.2013".

3. In this regard, all the Telecom Service Providers are requested to –

- (a) Submit their compliance to Technical Requirement in respect of on-line mirror image and audit trail of Remote Access information, if not already submitted.
- (b) Provide the training to the officials of DoT and TERM Cell units to acquire through and complete insight into the Remote Access methodologies, if not already done so.

4. It is also requested to ensure that the telecom service provider shall file technical returns to respective TERM Cell, every six months or whenever changes occur, providing details of their entire network. The international long distance operators shall also provide the details of the international routes, countries to which directly connected, routing of international telecom traffic etc.
