OFFICE ORDER

Sub: Uploading of Circulars/letters on the website of the Department of Telecommunications through IT Cell.

The Hindi Salahakar Committee as well as Department of Official Language has issued instructions repeatedly stating that all circulars which have been placed on the website of Ministries/Departments should be bilingual i.e. both English and Hindi version should be uploaded simultaneously. This has also come under the adverse notice of the Hindi Salahakar Committee of the DOT. In view of this, it has been decided that w.e.f. 1st January, 2009 all requests for uploading of Circulars/letters in the website of DOT through IT Cell would be accepted only in bilingual form i.e. English and Hindi. Circulars/letters which come only in single language will not be accepted by the IT Cell and will be returned to the concerned division for bilingual version.

2. It is requested that all Divisions may kindly take appropriate action to ensure that Circulars/letters sent to IT Cell for uploading on the website are invariably in bilingual form.
