**Subject:** Implementation of e-HRMS in DoT Headquarter: authentication of service book data

To expedite the onboarding to e-HRMS portal in a time bound manner, a calendar has been chalked out for data verification of officers posted in DoT Headquarter.

All Director and ADG level officers are requested to spare time and visit Room No. 419 {AD(Staff)} as per respective time slots allotted in the attached annexure for authentication of their personal data which will be entered and locked into portal.

DDGs level officers need not walk to Room no 419. They are simply requested to remain available in their own office chamber during the allocated time slots. STG officers will visit them for the said verification / authentication of the personal details.

The officers, who are presently on leave, are also requested to make it convenient to spare time as per the given schedule as the activity has to be completed on priority.

Please treat it most urgent.
