I.A. No.4292/ 2022 filed on behalf plaintiffs under Section 151 CPC allowing an exemption to the plaintiffs from filing the certified/ clearer/proper/translated/original copies of documents with proper margins

Heard.

Allowed, subject to just exceptions.

I.A. stands disposed of.

I.A. No.4291/2022 filed on behalf of plaintiff under Order 1 Rule 10 CPC seeking impleadment of Additional Mirrors, Redirects or Alphanumeric Variations as defendants in the Memo of Parties as defendants No.191 & 192

Vide this order, I shall dispose of the present application filed by plaintiff under Order 1 Rule 10 CPC for impleadment. The

learned counsel for plaintiff has submitted that the Hon'ble Court was pleased to grant ex-parte permanent injunction in this suit against the defendants vide order dated 12.03.2020 for infringement of copyrights with further directions that as and when plaintiff files an application under Order 1 Rule 10 for impleadment of such websites, plaintiff shall file an affidavit confirming that the newly impleaded websites are mirror/redirect/alphanumeric websites, with sufficient supporting evidence and that the application shall be listed before Joint Registrar, who on being satisfied with the material placed on record, shall issue directions to the ISPs to disable access in India in such mirror/redirect/alphanumeric websites.

It is stated that after passing of the abovesaid judgment, other websites, as disclosed in application, have also started violation and these are mirrors, redirects or alphanumeric variations of the website blocked pursuant to the order dated 12.03.2020 and are also necessary party to this suit. It is further stated that details of proposed defendants have been disclosed in Schedule-A annexed with application and they are also liable to be impleaded as defendants no.191 & 192. It is further argued that even Decree of Permanent injunction dated 12.03.2020 is also liable to be extended against them and application may be allowed.

I have heard the arguments and perused the record. The law to deal with such applications and extension of *ex-parte ad-interim* injunction to newly added defendants has already been laid down in *UTV Software Communication Ltd. & Ors. vs. 1337X.TO & Ors.*, wherein it has been observed vide paragraph 107 to the effect:-

“107. Keeping in view the aforesaid findings, a decree of permanent injunction is passed restraining the defendant-websites (as mentioned in the chart in paragraph no. 4(i) of this judgment) their owners, partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, from, in any manner hosting, streaming, reproducing, distributing, making available to the public and/or communicating to the public, or facilitating the same, on their websites, through the internet in any manner whatsoever, any cinematograph work/content/programme/show in relation to which plaintiffs have copyright. A decree is also passed directing the ISPs to block access to the said defendant-websites. DoT and MEITY are directed to issue a notification calling upon the various internet and telecom service providers registered under it to block access to the said defendant-websites. The plaintiffs are permitted to implead the mirror/redirect/alphanumeric websites under Order I Rule 10 CPC in the event they merely provide new means of accessing the same primary infringing websites that have been enjoined. The plaintiffs are also held entitled to actual costs of litigation. The costs shall amongst others include the lawyer's fees as well as the amount spent on Court-fees. The plaintiffs are given liberty to file on record the exact cost incurred by them in adjudication of the present suits. Registry is directed to prepare decree sheets accordingly.”

The plaintiff has filed affidavit of investigator along with sufficient material to prove that proposed defendants/websites are mirror/redirect/alphanumeric websites of defendants which are also involved in violation of copyrights of plaintiff and have been permanently restrained to do so. In view of the submissions and judgment relied upon by learned counsel for applicant, the websites mentioned in the prayer clause of the application especially Schedule-

A are impleaded as defendants no. 191 & 192.

Since the newly added defendants are also stated to be involved in violation of copyrights of plaintiff, accordingly *ex-parte* Permanent Injunction dated 12.03.2020 is also extended against newly added defendants no. 191 & 192. The DoT, ISP and MEITY are directed to do the needful in terms of the abvoesaid Decree of Permanent Injunction dated 12.03.2020.

Amended memo of parties is taken on record.

I.A. stands disposed of.

Registry is directed to do the needful.

Copy of order be given *dasti*.

13. *Learned counsel for the Plaintiffs submits that legal notice was served upon the Defendant Websites calling upon them to cease from engaging in their infringing activities. Despite such legal notices, the Defendant Websites continue to infringe the rights in Plaintiffs' Original Content. The Defendant Websites are therefore willfully infringing Copyright material and ignoring or failing to respond to notice to cease all infringement. She further submits that, access of the Defendant Websites has been disabled in other jurisdictions such as rlsbb.com and rrlsbb.ru additional domains under Defendant No.1 have been blocked in Italy, Australia and Denmark; ddlvalley.me (Defendant No. 2) has been blocked in Australia and Italy; rutor.info (Defendant No.3) has been blocked in Denmark; scensource.me and scnsrc.me (Defendant No.8) has been blocked in Australia & Belgium; yesmovies.org &*

yesmovies.io additional domains under Defendant No. 19 have been blocked in Australia; *unblocked.dk* (Defendant No.27) has been blocked in Australia.

14. Learned Counsel for the Plaintiffs submits that Defendant Websites provides illegal content directly for free without any requirement of registration by users, and such availability of content is supported by the advertisements featured on the website. The primary purpose of the Defendant Websites is to commit or facilitate copyright infringement. Thus, Defendant Nos. 1 to 32 is liable for infringement under Section 51(a)(ii), Section 51(b), and Section 51(a)(i) for making a copy of the Original Content including the storing of it in any medium by electronic or other means and communicating the Original Content to the public. Further the hosting, streaming, reproducing, distributing, making available to the public, and/or communicating to the public of the Original Content, or facilitating the same, without authorization of the Plaintiffs amounts to violation of the Plaintiffs' copyright work, protected under the Act. In support of his contentions reliance has also been placed on the decision of this court in **CS(COMM) 724/2017** dated 10th April, 2019, **UTV Software Communication Ltd. vs. 1337X.TO and Ors.**

15. Plaintiffs have arrayed various internet and telecom services providers (ISPs) as Defendant Nos. 33-41 (hereinafter "the said ISPs") in the present suit to ensure the effective implementation of any relief that this Hon'ble Court may grant in favour of the Plaintiffs. The limited relief being claimed against the

said ISPs is to ensure the effective implementation of any order that this Hon'ble Court may be pleased to grant in favour of the Plaintiffs by disabling access of the Defendant Websites in India.

16. *Plaintiffs have also arrayed Defendant No. 42, the Department of Telecommunications (DoT), and Defendant No. 43, the Ministry of Electronics and Information Technology (MEITY), for a similar reason. The limited relief being claimed against the DoT and the MEITY is the issuance of a notification to the internet and telecom service providers registered with it to disable access into India of the Defendant Websites.*

17. *In view of the averments noted hereinabove and in view of the judgment passed in **UTV Software Communication Ltd.** (supra), this Court is of the opinion that a prima facie case is made out in favour of the Plaintiffs and balance of convenience is also in its favour. Further, irreparable harm or injury would be caused to the Plaintiffs if an interim injunction order is not passed.*

18. *Consequently, Defendant Nos. 1-32 (and such other domains/domain owners/website operators/entities which are discovered during the course of the proceedings to have been engaging in infringing the Plaintiffs' exclusive rights), their owners, partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, are restrained from, hosting, streaming, reproducing, distributing, making available to the public and/or communicating to the public, or facilitating the same, in any manner, on their websites, through the internet any*

cinematograph work/content/programme/ show in relation to which Plaintiffs have copyright;

19. Further, as held by this court in **UTV Software Communication Ltd.** (*supra*), in order for this court to be freed from constant monitoring and adjudicating the issues of mirror/redirect/alphanumeric websites it is directed that as and when the Plaintiffs file an application under Order I Rule 10 for impleadment of such websites, Plaintiffs shall file an affidavit confirming that the newly impleaded website is mirror/redirect/alphanumeric website with sufficient supporting evidence. Such application shall be listed before the Joint Registrar, who on being satisfied with the material placed on record, shall issue directions to the ISPs to disable access in India to such mirror/redirect/alphanumeric websites.

20. Defendant Nos. 33-41, shall ensure compliance of this order by blocking, the websites, their URL's and the respective IP address as under:

Further, Defendant Nos. 42 and 43 are directed to suspend the aforementioned domain name registration of Defendant Nos. 1 to 32 and issue requisite notifications calling upon various internet and telecom service providers registered under them to block the aforementioned websites identified by Plaintiffs.

21. Let provisions of Order XXXIX Rule 3 CPC be complied by way of email within a period of one week.

22. A copy of this order be given dasti under the signature of the Court Master.”

7. I have been informed that pursuant to the interim order, defendant No. 42 has issued a notification. I have also been informed that defendant Nos. 33 to 41 have blocked the rogue websites.

8. Learned counsel for the plaintiffs presses the prayers: (i) to (iii). In other words, the other reliefs as made in the plaint are not pressed. Learned counsel relies upon the judgment of a co-ordinate bench of this Court in the case of *UTV Software Communication Ltd. And Ors. v. 1337X. to and Ors., 2019 (78) PTC 375 (Del.)*; and connected matters decided on April 10, 2019 to contend, which deals with the determination of rogue websites and the proper orders to be passed in such cases extensively.

9. In *UTV Software (supra)*, the Court heard arguments on behalf of the plaintiffs therein and also appointed an amicus curiae. As in the present case, neither the ISPs impleaded therein nor the Government of India advanced any submission on merits. In circumstances virtually identical with the present case, the Court came to the conclusion that the concerned websites were liable for copyright infringement under Section 51 of the Act

and were not entitled to exemptions under 51 (1)(c) of the Act or Section 79 of Information Technology Act, 2000. As far as rogue websites are concerned, the Court identified the following illustrative factors to be considered in determining whether a particular website falls within that class:-

“59. In the opinion of this Court, some of the factors to be considered for determining whether the website complained of is a FIOL/Rogue Website are:-

a. whether the primary purpose of the website is to commit or facilitate copyright infringement;

b. the flagrancy of the infringement, or the flagrancy of the facilitation of the infringement;

c. Whether the detail of the registrant is masked and no personal or traceable detail is available either of the Registrant or of the user.

d. Whether there is silence or inaction by such website after receipt of take down notices pertaining to copyright infringement.

e. Whether the online location makes available or contains directories, indexes or categories of the means to infringe, or facilitate an infringement of, copyright;

f. Whether the owner or operator of the online location demonstrates a disregard for copyright generally;

g. Whether access to the online location has been disabled by orders from any court of another country or territory on the ground of or related to copyright infringement;

h. whether the website contains guides or instructions to circumvent measures, or any order of any court, that disables

access to the website on the ground of or related to copyright infringement; and

i. the volume of traffic at or frequency of access to the website;

j. Any other relevant matter.”

10. Learned counsel for the plaintiffs has drawn my attention to two affidavits filed by Mr. Manish Vaishampayan, who conducted the investigation with regard to the aforesaid websites on the instance of the plaintiffs to contend that the said websites need to be treated as “rogue websites”. She has also drawn my attention to the following documentary evidence in support of each of the aforesaid websites:

11. On the basis of the evidence placed on record, and keeping in mind the factors identified by this Court in *UTV Software (supra)*, I find that there is sufficient evidence to hold that the defendant websites are “rogue websites”:

a. From Affidavits of Mr. Manish Vaishampayan, it appears that the primary purpose of the defendant-websites is to provide unauthorised and

infringing content to the public.

b. The details of the registrants of each of the websites are masked and no personal or traceable details are available either of the registrant or the user.

c. Despite receipt of legal notices, the defendant-websites have not complied with the requests to take down the infringing content.

d. The defendant-websites contain directories or indexes to facilitate infringement of copyright.

e. Sample evidence of infringement has been filed before this Court. An illustrative list of the content in respect of which infringement is demonstrated has also been filed.

12. The learned counsel for the plaintiffs had relied upon Annexure-E of Delhi High Court (Original Side) Rules, 2018 clause 9(h)(ii) which states for this Court to pass summary judgment. As I find the defendant Nos.1 to 32 and 45 to 135 are not appearing, despite notice, the suit can be heard and decided.

13. Following the judgment in *UTV Software (supra)*, the defendant websites having been identified as rogue websites, the plaintiffs are entitled to the prayer as sought in prayer clauses (i) to (iii) of the plaint.

14. In *UTV Software (supra)*, the Court also examined the issue of grant of dynamic injunctions and permitted subsequent impleadment of mirror/redirect/alphanumeric websites which provide access to the defendant websites, by filing an application under Order I Rule 10 of the CPC before the Joint Registrar alongwith an affidavit with supporting evidence, confirming that the proposed website is mirror/redirect/alphanumeric website of the injuncted defendant websites. At Ms.Sneha Jain's request, the

same directions are liable to be made in this case also.
