I.A. No. 20444/2023 on behalf of the plaintiffs under Order I Rule 10 CPC seeking impleadment of mirror websites, redirects, or alphanumeric variations as additional defendants nos. 281-295 in the memo of parties.

Heard.

The learned counsel for plaintiff has submitted that the Hon'ble Court was pleased to grant ex-parte *ad-interim* injunction in this suit against the defendants vide order dated 24.07.2019 and decree of permanent injunction vide order dated 10.10.2022 for infringement of its copyrights by the defendants with further directions that as and when plaintiff files an application under Order 1 Rule 10 for impleadment of such other websites which are violating the copyrights of the plaintiff, plaintiff shall file an affidavit confirming that the newly impleaded websites are mirror/redirect/alphanumeric websites, with sufficient supporting evidence and that the application shall be listed before Joint Registrar, who on being satisfied with the

material placed on record, shall issue directions to the ISPs to disable access in India to such mirror/redirect/alphanumeric websites.

It has been stated that after passing of the abovesaid judgment, other websites, as disclosed in the application, have also started violating the plaintiff's copyrights. These websites are mirrors, redirects or alphanumeric variations of the websites blocked pursuant to the orders dated 24.07.2019 and 10.10.2022 and which are also necessary party to this suit. It is further stated that details of proposed defendants has been disclosed in Schedule-A annexed with application. It has been further argued that even decree of permanent injunction dated 10.10.2022 is also liable to be extended against them and hence the application may be allowed.

I have heard the arguments and perused the record. The law to deal with such applications and extension of *ex-parte ad-interim* injunction to newly added defendant has already been laid down in *UTV Software Communication Ltd. & Ors. vs. 1337X.TO & Ors.*

The plaintiff has filed affidavit of investigator along with sufficient material to prove that proposed defendants/websites are mirror/redirect/ alphanumeric websites of the defendants which are also involved in violation of copyrights of plaintiff. Further, in para no. 28 of the judgment dated 10.10.2022 the Hon'ble Court has already directed as under :-

*“The suit is decreed in terms of prayers given in paragraph no. 52 (i), (ii) and (iii) of the plaint. The plaintiff is also permitted to implead any mirror/redirect/alphanumeric websites which provide access to the websites operated by the defendants nos. 1 to 16 and 51 to 237 by filing an appropriate application under Order I Rule 10 of the CPC, supported by affidavits and evidence as directed in **UTV Software** (supra). Any*

website impleaded as a result of such application will be subject to the same decree.”

In view of the submissions of Ld. Counsel for the applicant and the directions passed in judgment dated 10.10.2022, the websites mentioned in the prayer clause of the application especially Schedule-A are impleaded as defendant nos. 281-295.

Since the newly added defendants are also stated to be involved in violation of copyrights of the plaintiff, accordingly the decree of permanent injunction dated 10.10.2022 is also extended against newly added defendant nos. 281-295. The DoT, ISP and MEITY are directed to do the needful in terms of the abovesaid decree of permanent injunction dated 10.10.2022.

Amended memo of parties is taken on record.

I.A. stands disposed off.

Registry is directed to do the needful.

Copy of order be given *dasti*.

**CORAM:
HON'BLE MR. JUSTICE NAVIN CHAWLA**

1. The plaintiff has filed the present suit *inter-alia* praying for the following reliefs:

"52. In light of the foregoing, it is most respectfully prayed that this Hon'ble Court may be pleased to:

i. Issue an order and decree of permanent injunction restraining the Defendant Nos. 1-16 (and such other mirror/redirect/alphanumeric websites discovered to provide additional means of accessing the Defendant Websites, and other domains/domain owners/website operators/entities which are discovered to have been engaging in infringing the Plaintiff's exclusive rights), its owners, partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for

and on their behalf, or anyone claiming through, by or under it, from, in any manner hosting, streaming, reproducing, distributing, making available to the public and/or communicating to the public, or facilitating the same, on their websites, through the internet in any manner whatsoever, any cinematograph work/content/programme/ show in relation to which Plaintiff has copyright,

ii. Issue an order and decree directing the Defendant Nos. 16-25, their directors, partners, proprietors, officers, affiliates, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, to block access to the Defendant Nos. 1-16 website identified by the Plaintiff in the instant suit (and such other mirror/redirect/alphanumeric websites discovered to provide additional means of accessing the Defendant Website, and other domains/domain owners/website operators/entities which are discovered to have been engaging in infringing the Plaintiff's exclusive rights)

iii. Issue an order directing the Defendant Nos. 26 and 27, to issue a notification calling upon the various internet and telecom service providers registered under it to block access to the Defendant Nos. 1-16 websites identified by the Plaintiff in the instant suit (and such other mirror/redirect/alphanumeric websites discovered to provide additional means of accessing the Defendant Website, and other domains/domain owners/website operators/entities which are discovered to have been engaging in infringing the Plaintiff's exclusive rights);

iv. Issue an order directing the Domain Name Registrars of the Defendant Website identified by the Plaintiff in the Plaintiff to disclose the contact details and other details about the owner of the said websites, and other such relief as this Hon'ble Court may deem fit and proper: "

2. The plaintiff claims itself to be a global entertainment company under the laws of the State of Delaware, the United States of America, and as being engaged in the business of creation, production and distribution of motion pictures. The plaintiff has also received certain reputed awards, such as the Academy Award for '*Best Picture*' for the motion picture '*Argo*' in the year 2012.

3. It is the contention of the plaintiff that the motion pictures produced by the plaintiff, being works of visual recording and which include sound recordings accompanying such visual recordings, qualify to be a '*cinematograph film*' under Section 2(f) of the Copyright Act, 1957 (in short, 'the Act'). The plaintiff claims that this Court has jurisdiction by virtue of Section 13(1) read with Sections 13(2) and 5 of the Act. Since the plaintiff's cinematograph films are released in India; the cinematograph films of the plaintiff would be entitled to all the rights and protections granted under the provisions of the Act.

4. The claim of the plaintiff is premised on the allegation of illegal and unauthorized distribution, transmission and streaming of the plaintiff's original content by the defendant nos. 1 to 16 and 51 to 237 (hereinafter referred to as the 'rogue websites'). It is the case of the plaintiff that as a result of the unauthorized transmission of their content, the rogue websites infringe the copyright of the plaintiff in the original works produced by it, which have been granted protection under the provisions of the Act.

5. The plaintiff has impleaded various Internet Service Providers (in short, 'ISPs') as the defendant nos. 17 to 25 and the concerned departments of the Government of India as the defendant nos. 26 and 27.

The ISPs and the concerned departments have been impleaded for the limited relief of compliance with any directions of this Court granted in favor of the plaintiff.

6. The plaintiff, vide an investigation conducted by an independent investigator, learnt of the extent of the infringing activity of the rogue websites, in as much as the rogue websites have infringed the plaintiff's copyright under the provisions of the Act in the original content by streaming or hosting and/or by facilitating the use of the rogue websites, *inter alia* by downloading and streaming the plaintiff's original cinematograph films in which copyright vests.

7. It is also the case of the plaintiff that a cease-and-desist notice was served on the rogue websites calling upon them to cease from engaging in their infringing activities. Despite the cease-and-desist notice, the rogue websites continue to infringe the copyright of the plaintiff in its original content.

8. The learned counsel for the plaintiff presses only for prayers in terms of paragraph nos. 52(i), (ii) and (iii), as noted hereinabove, of the plaint. The other reliefs as made in the plaint are not pressed.

9. The learned counsel for the plaintiff relies upon the judgment dated 10.04.2019 passed by this Court in a batch of suits, including *UTV Software Communication Ltd. & Ors. v. 1337X.to & Ors.*, 2019 SCC OnLine Del 8002, which dealt with the determination of rogue websites.

10. The plaintiff has filed I.A. 13801 of 2022 under Order XIII-A of the Code of Civil Procedure, 1908 (in short, 'CPC'), as applicable to commercial disputes, seeking a Summary Judgment. The said application was listed before the Court on 30.08.2022, wherein the Court

recorded that the service and pleadings are complete in regard to all the defendants and that the rogue websites have neither appeared nor have filed their written statements in the present suit proceedings till date. Further, the Court directed the suit to proceed *ex-parte qua* the rogue websites, that is, the defendant nos. 1 to 16 and 51 to 237.

11. The grounds for filing the above application, as enumerated by the plaintiff in the same, are as follows:

- a. That all the defendants have been duly served by the plaintiff, however, only the defendant nos. 17, 22, 24, 26 and 27 have entered appearance before this Court.
- b. That the defendant nos. 1 to 16 and 51 to 237 being the rogue websites, against whom the plaintiff is seeking primary relief, are illegally streaming the plaintiff's content on their websites and even after being duly served by the plaintiff, have decided not to contest the present suit.
- c. That the rogue websites impleaded as the defendant nos. 1 to 16 and 51 to 237 have no real prospect of successfully defending the claim of copyright infringement under Section 51 of the Act and have further not chosen to contest the said claim.
- d. Additionally, there is no other compelling reason why the present suit should not be disposed of before recording of oral evidence particularly in view of the fact that there is no dispute regarding the illegal activities of the defendant nos. 1 to 16 and 51 to 237 and in any event, in the absence of any challenge or opposition to the factual allegations made in the plaint, in view

of the provisions of Order VIII Rule 5 of the CPC, there is no occasion for recording of oral evidence in the present matter.

12. The learned counsel for the plaintiff has relied upon Clause 3 of Chapter XA of the Delhi High Court (Original Side) Rules, 2018 which states the grounds under which a Court can pass a Summary Judgment.

13. The learned counsel for the plaintiff has drawn my attention to the affidavits filed by Mr. Manish Vaishampayan, who conducted the investigation with regard to the aforesaid websites at the instance of the plaintiff, to contend that the said websites need to be treated as rogue websites. With respect to this contention, reliance is placed on the following documentary evidence in support of each of the aforesaid websites in the table below-
