**I.A No. 10264/2023 on behalf of the plaintiffs under Order I  
Rule 10 CPC, 1908 seeking impleadment of additional  
mirrors, redirects, or alphanumeric variations as defendants  
in the memo of parties as defendant no. 187-201.**

Heard.

Vide this order, I shall dispose of the present application filed by plaintiff under Order 1 Rule 10 CPC for impleadment. The learned counsel for plaintiff has submitted that the Hon'ble Court was pleased to grant ex-parte ad-interim injunction in this suit against the defendants vide order dated 27.07.2020 for infringement of copyrights with further directions that as and when plaintiff files an application under Order 1 Rule 10 CPC for impleadment of such websites, plaintiff shall file an affidavit confirming that the newly impleaded websites are mirror/redirect/alphanumeric websites, with sufficient supporting evidence and that the application shall be listed before Joint

Registrar, who on being satisfied with the material placed on record, shall issue directions to the ISPs to disable access in India in such mirror/redirect/alphanumeric websites.

It is stated that after passing of the abovesaid order, other websites, as disclosed in application, have also started violation and these are mirrors, redirects or alphanumeric variations of the websites blocked pursuant to the order dated 27.07.2020 and are also necessary party to this suit. It is further stated that details of proposed defendants have been disclosed in Schedule-A annexed with application and they are also liable to be impleaded as defendants no. 187 to 201. It is further argued that even ex-parte injunction dated 27.07.2020 is also liable to be extended against them and application may be allowed.

I have heard the arguments and perused the record. The law to deal with such applications and extension of *ex-parte ad-interim* injunction to newly added defendants has already been laid down in *UTV Software Communication Ltd. & Ors. vs. 1337X.TO & Ors.*, wherein it has been observed vide paragraph 107 to the effect:-

*“107. Keeping in view the aforesaid findings, a decree of permanent injunction is passed restraining the defendant-websites (as mentioned in the chart in paragraph no. 4(i) of this judgment) their owners, partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, from, in any manner hosting, streaming, reproducing, distributing, making available to the public and/or communicating to the public, or facilitating the same, on their websites, through the internet in any manner whatsoever, any cinematograph work/content/*

*programme/show in relation to which plaintiffs have copyright. A decree is also passed directing the ISPs to block access to the said defendant-websites. DoT and MEITY are directed to issue a notification calling upon the various internet and telecom service providers registered under it to block access to the said defendant-websites. The plaintiffs are permitted to implead the mirror/redirect/alphanumeric websites under Order I Rule 10 CPC in the event they merely provide new means of accessing the same primary infringing websites that have been enjoined. The plaintiffs are also held entitled to actual costs of litigation. The costs shall amongst others include the lawyer's fees as well as the amount spent on Court-fees. The plaintiffs are given liberty to file on record the exact cost incurred by them in adjudication of the present suits. Registry is directed to prepare decree sheets accordingly."*

The plaintiff has filed affidavit of investigator along with sufficient material to prove that proposed defendants/websites are mirror/redirect/ alphanumeric websites of defendants which are also involved in violation of copyrights of plaintiff and have been permanently restrained to do so. In view of the submissions, directions passed in order dated 27.07.2020 and judgment relied upon by learned counsel for applicant, the websites mentioned in the prayer clause of the application especially Schedule-A are impleaded as defendants no. 187 to 201.

Since the newly added defendants are also stated to be involved in violation of copyrights of plaintiff, accordingly *ex-parte* ad-interim Injunction dated 27.07.2020 is also extended against newly added defendants no. 187 to 201.

Amended memo of parties is taken on record.

I.A. stands disposed of.

Let defendant no. 187 to 201 be summoned on filing of PF and through all permissible modes including e-mail, returnable on date already fixed i.e. on 07.07.2023.

Registry is directed to do the needful.

Copy of order be given *dasti*.

8. Besides the aforementioned rogue websites, the plaintiffs have also arrayed the Internet Service Providers (ISPs). These ISPs are arrayed as defendant nos. 38 to 46.

8.1 Furthermore, to ensure that the ISPs block access to the aforementioned rogue websites, the plaintiffs have also arrayed the concerned department i.e. DOT and the concerned ministry of the Union of India i.e. MEITY as defendant nos. 47 and 48 respectively.

9. I have heard Mr. Saikrishna Rajagopal in support of the case put forth by the plaintiffs.

10. According to me, the rogue websites which enable streaming of the creative works of the plaintiffs in which they have copyright, *albeit* illegally, is a cause for concern. In sum, it is the plaintiffs' case that the rogue websites are indulging in digital piracy.

10.1 I am of the view that if the plaintiffs are not protected, as prayed for, irreparable damage would be caused to their commercial and statutory interest.

10.2 The balance of convenience, it appears, is also in favour of the plaintiffs.

11. Therefore, I am inclined to issue the following interim directions to protect the interest of the plaintiffs:

- (i) Defendant nos. 1 to 37 are restrained from, in any manner, hosting, streamlining, reproducing, distributing, making available to the public and/or communicating to the public or facilitating the same on their websites through the internet in any manner whatsoever, any

cinematograph work, content, programme and show in which the plaintiffs have copyright.

(i)(a) This injunction shall also operate in respect of the mirror/redirect/alphanumeric websites, which are put in play by defendant nos. 1 to 37 to grant access to the websites referred to in paragraph 7.3 hereinabove.

(ii) Defendant nos. 38 to 46 are directed to block access to the websites of defendant nos. 1 to 37 as detailed out in paragraph 7.3 above.

(ii)(a) This direction will also operate *qua* mirror/redirect/alphanumeric websites, which have their roots in the websites of defendant nos. 1 to 37 referred to in paragraph 7.3 above.

(iii) Defendant nos. 47 and 48 shall issue necessary directions/notifications calling upon various ISPs, in general, to block access to the websites of defendant nos. 1 to 37 as also *qua* mirror/redirect/alphanumeric websites of the said defendants, which are referred to in paragraph 7.3 above.

(iv) The plaintiffs are given liberty to file an application under Order I Rule 10 of the CPC to array other rogue websites if the same are discovered after the issuance of the instant interim order. The purpose being that the Court, in these cases, needs to dynamically monitor such egregious illegality and, if necessary, pass interim orders to restrain similar rogue websites from illegally streaming the creative content in which the plaintiffs have a copyright.

12. The plaintiffs will comply with the provision of Order XXXIX Rule 3 of the CPC within five days of the receipt of a copy of this order.

13. Renotify the matter on 01.09.2020.
