BUDGET MATTER
MOST URGENT

No. 16-14/2012-B
Department of Telecommunications
(Budget Section)

Room No. 723, Sanchar Bhawan, New Delhi - 110 001.

Dated : 30.08.2012

Sub:- Preparation of Asset Register, as required under the Fiscal Responsibility and Budget Management Rules, 2004.

An Asset Register is required to be maintained in prescribed format under the Fiscal Responsibility and Budget Management Rules, 2004 for making a disclosure about the position of assets in the Budget every year. Accordingly, the information in the prescribed format was called for vide Budget Section's letter No. 16-26/2004-B dated 16th June, 2005 (copy enclosed) enclosing there with the guidelines for preparation of Asset Register. The format of the disclosure statement is enclosed.

As the position of assets as on 31.03.2012 is to be intimated to the Ministry of Finance as per the time schedule prescribed by them, it is requested to kindly arrange to furnish the information on assets held under your charge in the prescribed format enclosed latest by 14.09.2012 positively.

Encls.: As above.

OFFICE MEMORANDUM

Subject: Preparation of Asset Register, as required under the Fiscal Responsibility and Budget Management Rules, 2004

1. As the Ministries of Agriculture etc. are aware, an Asset Register is required to be maintained in prescribed format under the Fiscal Responsibility and Budget Management Rules, 2004 in order that appropriate disclosure about the position of assets may be made in the Budget 2006-07 onwards. The format of the disclosure statement is enclosed for ready reference. It is requested that necessary action may please be taken to prepare the asset register showing the status as on 31st March, 2005. The following clarifications may please be noted to facilitate this task.

* The Asset Register is required to be prepared only in respect of assets owned by the Central Government. This would by implication exclude the assets belonging to autonomous bodies and public sector undertakings even though the assets were created with the financing support provided by the central government by way of grants-in-aid.

* The financing by way of loans and equity investment will, however, be shown as the financial assets of the Central Government for which detailed accounts are being maintained by the concerned Accounts Officers.

* The exercise to prepare the Asset Register is expected to be completed in-house, without hiring any outside professionals because the information is to be compiled based on the book value of assets that should be available in the accounts and departmental records. No assessment of current market value is required to be done. Similarly, no adjustment need necessarily be done for depreciation of assets.

* The Departmental Estates Officers may provide the information in respect of government lands and buildings under their charge. In respect of such government lands and buildings where the Estates management is not directly being handled by the particular Ministry/Department, the information to complete the asset register will be centrally collected from the Central Public Works Department. CPWD may send the information to concerned Ministries/Departments for cross checking and verification before finalization and intimation to us.

1. It would be desirable to have an exhaustive inventory of assets with full reconciliation of physical balances with the financial accounts as early as possible. However, pending full reconciliation, it would be helpful if initially the opening balances, say as on 1st April, 2004 or before as administrative expedient, are taken from financial records and subsequent acquisition/disposals of assets are fully accounted for both physically and financially.
2. It may be helpful to utilize this exercise as an opportunity to have a proper stock-taking of departmental assets and to keep suitable explanatory remarks on the present state of the economic life of asset, its current usage, potential for better alternative uses, disposal options so that there is improved asset management by drawing attention to optimum utilization, maintenance and accounting of assets.
